GLACIAL RETRIEVERS

Puppy Purchase Agreement

Congratulations on your new Glacial Retrievers puppy. This agreement covers the health of your puppy, your responsibilities as a new owner, and our commitments to you. Please read it carefully and ask us about anything that is unclear before signing.

Each puppy goes home with its health records, vaccination and deworming history, and registration information. We ask that you have your puppy examined by your own veterinarian within 72 hours of pickup. Our health guarantee covers the conditions and time period described in the health guarantee you received, provided the requirements in that document are met.

We care about every dog we raise for its entire life. If at any point you are unable to keep your dog, you agree to contact us first so we can help find the right home. Puppies are sold as companion and working dogs and may not be resold. Your deposit is non-refundable and is applied to the purchase price at pickup.

Please confirm each item by checking the box:

- [ ] 1. I have received my puppy's health records, vaccination history, and deworming schedule.
- [ ] 2. I will have my puppy examined by a licensed veterinarian within 72 hours of pickup.
- [ ] 3. I have read and understand the health guarantee and what I must do to use it.
- [ ] 4. If I can no longer keep my dog, I will contact Glacial Retrievers before rehoming, selling, or surrendering it.
- [ ] 5. I am not buying this puppy for resale.
- [ ] 6. I understand the deposit is non-refundable and is applied to the purchase price.

By signing below, I confirm that I have read and agree to the terms of this purchase.
